Dear Members,

Namaste.

We understand that all of us have been in enormous shock and experienced trauma due to the barbaric and inhuman Islamic terrorist attacks perpetrated in Mumbai on the fateful day of November 26. Also, the whole world knows now that this ghastly act was sponsored by none other than the Pakistani Military and Spy (ISI) establishment.

In a global Press release communicated on Nov 27, 2008, OFBJP-USA, on behalf of the Indian American community shared the agony of the people of Mother Bharat. We offered our profound sympathies and condolences to the families and friends of the victims of this bloody carnage and saluted the brave NSG commandos who freed the city of Mumbai from the clutches of the agents of death. We

saluted and prayed for the departed souls of our brave hearts NSG cammandos Major Sandeep Unnikrishnan and Havildar Gajendra Singh, ASI Tukaram Omble (Single handedly caught the terrorist alive while facing hail of AK57 bullets), ATS Chief Hemant Karkare, ACP Ashok Kamte, encounter specialist Vijay Salaskar and other police personnel. We also saluted to many more brave men and women staff of Hotel Taj, Hotel Trident, Café Leopold, Cuff Parade – Colaba Fire brigade, Indian Navy, Indian Army and Mumbai Police. Additionally, we demanded the resignation of Manmohan Singh, Shivraj Patil, R.R.Patil and Vilas Rao Deshmukh (Three of the four resigned recently).

In memory of the victims and to condemn the Pakistan sponsored Islamic terrorism, Indian American communities across the nation had conducted many rallies and are planning more. The following information describes the OFBJP activities in organizing these congregations and also the planned rallies and congregations.

Washington DC:

OFBJP led other Indian American associations in organizing the meetings in memory of the Mumbai Terror Victims at the following places.

- November 28th Friday at Shiva Vishnu Temple (MD):
Organized by Shri Sreekant Nayak (Chair: Govt. Relations)
- November 29th Saturday at Lotus temple (VA):
Organized by Prof. Venkat Rao Mulpuri (General Secretary)

In both the places, scores of Indian origin people and some Americans attended the meetings and paid tributes to the Mumbai terror victims and brave men and women who fought the terrorists. Speaker after speaker denounces the Pakistan sponsored terrorism while demanding a stringent action against the terrorist training centers in Pakistan.

Dr. Adapa Prasad (President Elect), Shri Sreekant Nayak, and Prof. Venkat Rao coordinated with the Indian American associations and attended several media interviews and demanded USA government to take punitive actions against Pakistani establishment. Dr. Prasad said that while the Maharashtra government and it's ATS spent 90% of it's time in implicating the innocent Hindu monks, they found no time to pay heed to the alerts and warnings from the Indian intelligence agencies and FBI. Ominously, two days prior to this ghastly attack, OFBJP through its Press release on November 25th, demanded Manmohan Singh government to stop harassing the innocent Hindu Monks for vote bank politics and concentrate on fighting the real Islamic terrorism.

Tampa, FL:

- November 30th Sunday: Represented by Shri Chandrakant Patel (Organizing Secretary)

OFBJP participated in the Sangh Parivar led memorial meeting in the local Hindu temple. Hundreds of Indian American people thronged the Temple meeting and expressed their profound sorrow and anguish. Shri Chandrakant Patel demanded USA to declare Pakistan as the Terrorist State and he demanded the resignation of Manmohan Singh government.

Houston, TX:

- November 30th Sunday:
Organized by Shri Ramesh Shah (Vice President) and Shri Gitesh Desai (General Secretary)

OFBJP organized the Indian American community meeting in the local Hindu temple. The pent-up anger of the Indian community poured out against the Sonia Gandhi headed UPA government whose apathy and Muslim appeasement policies brought India to these sorry state affairs. UPA government's vote bank policies made India a soft target for the Islamic terrorists who struck India 12 times since past 24 months.
